

**Model designation**

The models and components with their 3- to 6-digit designation (e. g. 129 or 129.061) may have different versions, data and operations.

If there are no suffixes following the designation of models or components, the respective data apply to all the models or components listed in each case.

### Installation survey

Engine	Model	Manufactured from	to
104.980	124.031	09/1989	09/1992
104.980	124.051	09/1989	09/1992
104.980	124.061	06/1992	06/1993
104.980	124.091	09/1989	09/1992
104.981	129.061	05/1989	01/1993
